

Apology

Red Line Chemistry

You know that I was struggling
You saw I wasn't well
And it's killing me to say these things
I don't feel I'm ready for this now

I know that you are suffering
These decisions that were made
Will you understand you've done no wrong?
It's me alone, so selfish all inside

I'm sorry
I'm sorry
I'm sorry

But now I will be free
To find
Myself, I feel so
Sorry
I'm sorry

I know that this is difficult
To tear away from time
But you will be strong inside
And you'll fight, goddamn, and make yourself all right

You're stronger than you used to be
You taught me so much, don't you see?
I owe you everything
It's hard for me to leave

To find
Myself, I feel so
Sorry
I'm sorry
I'm sorry
But now I will be free
To find
Myself, I feel so
Sorry
Sorry
Sorry
Sorry

I don't feel I'm ready for this now
