I use to be somebody who could control myself But I can't anymore I used to have a grip on reality But I keep on slipping down Now I'm under pressure Deny the limitation I am my own worst enemy it kills me every time Big machine I'll take it for a ride Get inside and grow this crushing sound Deny the limitation Deny the limitation It's all a part of the animal in myself And I just don't care anymore I let it take the shape of duality And I feel I'm breaking out Now I'm under pressure Deny the limitation I am my own worst enemy it kills me every time Big machine I'll take it for a ride Get inside and grow this crushing sound Big machine I'll take it for a ride Get inside and grow this crushing sound Deny the limitation Deny the limitation It's all a part of the animal in myself It's all a part of the animal in me Now I'm under pressure Deny the limitation I am my own worst enemy it kills me every time Big machine I'll take it for a ride Get inside and grow this crushing sound Big machine I'll take it for a ride Get inside and grow this crushing sound Deny the limitation Deny the limitation I use to be somebody who could control myself But I can't anymore I used to have a grip on reality But I keep on slipping down
