## **Always**

## **Red London**

Seen the Eiffel Tower I scaled the Berlin wall

Sailed from Rotterdam Flew from JFK

I climbed the highest peaks Forgotten all the lows

Back to wanton streets Escaped the battlefields

Caught the fallin' leaves Trough an English breeze

At the rainbows end I found a pot of gold

I've walked the golden shores Seen the sun-trenched piers

Touched the stars at night Or walked through bright daylight

But I will always come back to you I will always come back to you
