

Look Out Again

Red Rider

I was at your port of call
One more flower upon the wall
You were talkin' to my friend
Bout your new place east of Number 10
Say
Look out again
You don't know what you do to me
Oh I'm not to blame
Yeah, I'm out in the alley
I'm burnin' for you
Look out again
In your room the candle glows
Casting shadows on the wall
Doesn't look like you're alone
But I just don't want to head back home
Look out again
You don't know what you do to me
Oh I'm not to blame
Yeah I'm out in the alley
I'm burnin' for you
Woah I'm burnin'
I want you to come down
Come down, come down
Journey long
Into the night
Till the lightnin' strikes me
Twice
Look out again
