

I'm in need  
Yes, I'm in need  
Of a righteous one-night stand  
Well, it ain't free  
No, it ain't free  
It's gonna cost me an arm and a leg

'Cause my baby don't call no more  
Found her laying on her very first floor  
While I'm stuck in 303  
With my hands beneath my feet  
Put your money where your mouth is  
Long as I can get what she's been getting for free  
Ho, for free

She came home early  
Pants around her ankles  
All I could do was turn and smile  
Said "How does it feel?  
How does it feel?  
"It's gonna cost [?] "

And now, my baby don't call no more  
Found her laying on the very same floor  
While I'm stuck in 303  
With my hands tied my feet  
Put your money where your mouth is  
As long as I can get what she's been getting for free  
Ho, for free

And now my baby don't call no more  
Found her laying on her very first floor  
While I'm stuck in 303  
With my hands beneath my feet  
Put your money where your mouth is  
Long as I can get what she's been getting for free  
Ho, for free  
Ho, for free  
Ho, for free  
Ho, for free
