

# Try

Red Shahan

Some days I wish  
Bad things would happen to me  
So I could write about  
Things worth singing out loud  
Oh, but I hope there's time to live it down

Restless and young  
Things I should soon give up  
Must be a better way  
If it's the last thing that I say  
Oh, but I hope there's time to live it down

So I can try, try to be better now  
So I can try to turn it all around

Wasted my youth  
Big fan of bending the truth  
Quiet, but living out loud  
Burned all my bridges down  
Oh, but I hope there's time to live it down

So I can try, try to be better now  
So I can try to turn it all around  
Oh, but I hope there's time to live it down

So I can try, try to be better now  
So I can try to turn it all around  
Oh but I hope one more try  
Oh but I hope one more try to live it down
