

## Seasons Of My Heart

Red Sovine

The seasons come the seasons go we get a little sunshine rain a  
nd snow

Just the way that it was planned to be

But there's no season in my heart while you play the leading pa  
rt

Cause the flowers will bloom eternaly

Your leavin' will bring autumn sorrow and my tears like withere  
d leaves will fall

But spring could bring some glad tomorrow and darling we could  
be happy after all

[ steel ]

As it is in nature's plan no season gets the upper hand

How I try to keep this fact in mind

The trees are bare the cold winds blow and by experience we sho  
uld know

That winter comes but the spring is close behind

Your leavin' will bring autumn sorrow...
