

There's a place in my mind
That I lost
So you'll have to find yourself
'Cause it takes so much time
To say goodbye

There's a place in my mind
That I lost
So you'll have to find yourself
You're better off in your case
You'll get by
Despite the cost of it
You'll just have to find yourself

You never really tried to rest your case
Just in case
You never get to tie your own noose
To escape
'Cause it takes so much time
To say goodbye

There's a place in my mind
That I lost
Where you resided in
So you'll have to find yourself
A place where no one minds
And there's no consequence
For you to go and tie your own noose

You never really tried to rest your case
Just in case
You never get to tie your own noose
To escape
'Cause it takes so much time
To say goodbye
'Cause it takes so much time
To say goodbye
Say goodbye

Try to rest your case just in case
You never get to tie your own noose
To escape
'Cause it takes so much time
'Cause it takes so much time
'Cause it takes so much time
To say goodbye
