I'm thinking hard all day because of you
But I still don't know what to do with you
Baby baby baby baby baby you
Play me play me play me play me play me

Your eyes take my breath away and confuse me
It makes my rational senses scatter away
Baby baby baby baby baby you
Crazy crazy crazy crazy crazy

Like a mannequin
Everything is so awkward
I should just act like I do normally
But whenever I see you, I act so stupid

My eyes, nose, lips
Even my face, arms, legs
My walk, they won't listen to me
Dumb dumb dumb dumb
Dumb dumb dumb dumb
The trembling of my heart
My jumping moods
I can't control it
Dumb dumb dumb dumb
Dumb dumb dumb dumb

Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb
Dumb dumb dumb dumb
Dumb dumb dumb dumb

Dumb dumb dumb dumb dumb

I've dreamed of a romantic movie
But your love always makes my palms sweaty
Baby baby baby baby baby
You make me crazy crazy crazy crazy hey

Like a mannequin
Everything is so awkward
I should just act like I do normally
But whenever I see you, I act so stupid

You need to "Beat It"
That boy Michael Jackson "Bad"
I'm not your "Billie Jean"
Don't you "Leave Me Alone"
But you're so ambiguous, I want "Black or White"
I can't give up on you, my "Man in the Mirror"
"Why You Wanna Trip on Me"
You're too harsh
Boy, you make me "Scream"
Why am I like this?
Well, your "Love really Never Felt So Good"
It's so electrifying that it's like watching the "Thriller"

I can't escape from you
I hate you but I don't

I wanna be like that unni
But you keep calling me cute

Like my little brother's rob
Everything is so awkward
What do I do? I think I'm broken
I forgot even how to breathe

My eyes, nose, lips
Even my face, arms, legs
My walk, they won't listen to me
Dumb dumb dumb dumb
Dumb dumb dumb dumb
The trembling of my heart
My jumping moods
I can't control it
Dumb dumb dumb dumb
Dumb dumb dumb dumb

Dumb dumb dumb dumb dumb
Dumb dumb dumb dumb
