Oh boy, the sunlight that shines on me
Oh boy, all of the looks in your eye
Oh boy, you're so dazzling, hey
Oh boy, softly in my ear
Oh boy, your sweet voice
Oh boy, you wake me up

My lips open with words I've never learned before
My closed eyes are now open to only look at you
I'm discovering a me that I haven't even known, yeah

The fantasy I've dreamed of
You've come to me, come to me, come to me
Without a word, you came to me, with a heart-stopping smile
You surprised me, I could only blink
When our lips were about to touch, time stopped
A new season came into me

Oh boy
Oh boy
Oh boy
Oh boy

Oh boy, will you awaken the hidden me?
Oh boy, when I open my eyes to the dazzling you
Oh boy, it's a different world from yesterday
Oh boy

Oh boy, like a puzzle
Oh boy, I was missing a piece
Oh boy, but you perfectly completed me

You make this familiar world special
When you call me, everything is so beautiful

I've never felt this amazing feeling, yeah

The fantasy I've dreamed of
You've come to me, come to me, come to me
Without a word, you came to me, with a heart-stopping smile
You surprised me, I could only blink
When our lips were about to touch, time stopped
A new season came into me

Oh boy, will you awaken the hidden me?
Oh boy, when I open my eyes to the dazzling you
Oh boy, it's a different world from yesterday
Oh boy

Destiny is not enough to describe, this is a miracle
Reality is even better than dreams, yeah
I can't fall asleep anymore
My heart has awakened for the first time
I can't express this with words, look at me, my love

Your small whispers make me
Escape from my long dream
Your deep eyes and your warm smile
Your new scent, your voice
I'm looking at your eyes that are looking at me
I'm blooming as a flower that I didn't even know about

Oh boy, will you awaken the hidden me?
Oh boy, when I open my eyes to the dazzling you
Oh boy, it's a different world from yesterday
Oh boy
