Under the dazzling sunlight  
You smile brightly like a child  
Oh hey! In the same dream  
It kept calling us  
Wonderland beyond distant memories

We are Queens in the red castle  
Don't need crown, we were born to Dazzle  
Paradigm that we've been building together  
Stereotype that's clearly different

The more you look, the brighter the Pose  
Problems? Up to the sky  
Throw it! We are makin' the rules

'Cause we are Queens and Kings  
Put your hands up higher  
The more it gathers, the more beautiful it gets  
Shining bling bling  
Even if it rains  
Strong and beautiful  
Rainbow completed in all different colors

Ladida-do Ba-badida  
Ladida-do Ba-badida  
Shall we start again  
That's our Queendom yeah

Ladida-do Ba-badida  
Ladida-do Ba-badida  
The moment we hold our hands together  
That's our Queendom

We we we strong, nothing missing  
Wake up, the answer is Simple  
Be boss, blow the whistle  
The bigger world is noticing you

Shall we have a festival  
I hold your hand  
We've been waiting for this moment  
Spread your wings and be yourself

Come play at my carnival  
Climax? It starts now  
Watch out! We are makin' the rules

'Cause we are Queens and Kings  
Put your hands up higher  
The more it gathers, the more beautiful it gets  
Shining bling bling  
Even if it rains  
Strong and beautiful  
Rainbow completed in all different colors

Shout out louder, we do it better  
Follow the light through the darkness  
The new Color is called Together  
It's now or never, we got forever

'Cause we are Queens and Kings  
Put your hands up higher  
The more it gathers, the more beautiful it gets
