

## Alcatraz

Redbone

Alcatraz, Alcatraz, Alcatraz, Alcatraz  
Few have seen your beauty like the Indian has  
Few have seen your beauty like the Indian has

When many have spent their time in day  
The Indian brings his easyful ways  
Because he cares, because he cares

Alcatraz, Alcatraz, Alcatraz, Alcatraz  
Few have seen your beauty like the Indian has  
Few have seen your beauty like the Indian has

To many you've been a nightmare  
To the Indian our dream come true  
Because he cares, because he cares

Alcatraz, Alcatraz, Alcatraz, Alcatraz  
Few have seen your beauty like the Indian has

Few have seen your beauty like the Indian has
