

Dancing Bones

Redbone

Them bones, them bones, them shaky bones
Them bones, them bones, them shaky bones
Them bones, them bones, them shaky bones
Them bones, them bones, them shaky bones

Ooh, ooh, baby, how you satisfy
When you look at me with your gypsy eyes
Voodoo woman, how you turn me on
You whipped your mojo on me down to the bone

See my dancing bones
Them bones, them shaky bones
Them bones, them bones, them shaky bones
See my dancing bones
Them bones, them shaky bones
Them bones, them bones, them shaky bones

Ooh, ooh, baby, I'm hypnotized
I'm shakin' all over, baby, from your sweet, sweet love
It's got be good magic woman 'cause I feel so fine
Hoodoo woman, you just got to be mine

See my dancing bones
Them bones, them shaky bones
Them bones, them bones, them shaky bones
See my dancing bones
Them bones, them shaky bones
Them bones, them bones, them shaky bones

Ooh, ooh, mama, I'm your Ju-Ju man
You've got the kind of lovin' that my body needs
Ooh, ooh, baby, I'm a man on fire
I'm gonna shake, shake, shake 'til you comfort me

See my dancing bones
Them bones, them shaky bones
Them bones, them bones, them shaky bones
See my dancing bones
Them bones, them shaky bones
Them bones, them bones, them shaky bones
