

Don't Say No

Redbone

I've been trying
Somehow to win your love
Baby, you keep backin' away
And my soul keeps leading me on

My rainbows end
My one and only reason
Incredible, fantastic
Girl, stop teasin'

Don't say no, diga me que si
Give your love to me
Don't say no, diga me que si
Give your love to me

Oh, how long
Will you say the joker is wild?
Sugar, keep on playin' the game
'Cause you know I'll win in the end

You turn me on
When I get hot, you're freezin'
Incredible, fantastic
Girl, stop teasin'

Don't say no, diga me que si
Give your love to me
Don't say no, diga me que si
Give your love to me

Oh, let it go
Give it up and say si si
Now's the time and the place
Take my hand, girl, and follow your heart

When I'm with you
The world is oh-so-pleasin'
Incredible, fantastic
Girl, stop teasin'

Don't say no, diga me que si
Give your love to me
Don't say no, diga me que si
Give your love to me

Don't say no, diga me que si
Give your love to me
Don't say no, diga me que si
Give your love to me
