

# Prehistoric Rhythm

Redbone

Ain't no jive melon farmer in the whole round world  
Like do it like we're doin' it when we're doin' it, doin' it  
Ain't no man, ain't no woman who can shake their body  
We ain't doin' it, doin' it

That prehistoric rhythm  
With a King Kong beat

Ain't no groove to the music if you can't get in it  
You can feel it, get that feelin' when we're doin' it, doin' it  
So, gets down to the level, let's get sanctified, now  
When we're doin' it, doin' it

That prehistoric rhythm  
With a King Kong beat

Come on, baby, do the Cajun thing  
So easy to do  
Come on, baby, do the Cajun thing  
So easy to do

Ain't no jive melon farmer in the whole round world  
That do it like we're doin' it when we're doin' it, doin' it  
Ain't no man, ain't no woman who can shake their body  
We ain't doin' it, doin' it

That prehistoric rhythm  
With a King Kong beat

Come on, baby, do the Cajun thing  
So easy to do  
Come on, baby, do the Cajun thing  
So easy to do

Bring it on home  
Rhythm to the bone  
Bring it on home  
Rhythm to the bone

Bring it on home  
Rhythm to the bone  
Bring it on home  
Rhythm to the bone

Bring it on home  
Rhythm to the bone  
Bring it on home  
Rhythm to the bone

Rhythm to the bone
