

# Blow You a Kiss in the Wind

Redd Kross

A little drums  
A little atmosphere  
And it wails like this

Wherever you are tonight  
I feeling healthy that you look outta sight  
So I'm gonna blow you a kiss in the wind

And when it reaches your lips, my dear  
You're gonna smile and feel me oh so near  
So I'm gonna blow you a kiss in the wind

Im lying here, here in my bed, yeah  
Pretty images and pictures runnin through my head  
About a girl I can see, I can almost hear you talkin  
Oh my God, I love you and I miss you so much

Wherever you are tonight  
I feeling healthy that you look outta sight  
So I'm gonna blow you a kiss in the wind
