

## Heaven Only Knows

Redd Kross

I dream about you all the time, yes i do  
When i can't sleep at night  
Heaven only knows  
I dream about makin' you mine, yes i do  
Whe i'm holding you tight  
Heaven only knows, mm hmm

Never been sure 'bout a girl before  
But i want you to know  
Heaven only knows, mm hmm  
Given you my heart and my soul and my love  
Cause i trust you so  
Heaven only knows, mm hmm

Heaven only knows that i want you baby  
Everytime i see you it drives me crazy  
Coz you're the only girl that my heart wants to know  
Whoah yeah

Tell me what you want and i'll do it for you  
Baby let me show you that i adore you  
Baby let me go everywhere you go

Never been sure 'bout a girl before  
But i want you to know  
Heaven only knows, mm hmm  
I'm givin' you my heart and my soul and my love  
Cause i trust you so  
Heaven only knows, mm hmm

Heaven only knows that i love you baby  
Heaven only knows that i hate you baby  
Heaven only knows that i despize you baby  
Heaven only knows that i idolize you baby
