I Don't Know How to Be Your Friend

Redd Kross

I looked at my face this morning
I just couldn't comb my hair
Ate two candy bars for breakfast
Guess I really didn't care
Had to force myself to wake up
I just had to start my day
Didn't want to leave my room
Didn't want to see the things out there

Hope this day won't last too long
Hope that nothing will go wrong
It doesn't take all that much
To bring me back down again

I don't know how to be your friend
I don't know how to be your friend
I don't know how to be your friend

You say that we'll be together
Friends like us don't fade away
But it's been a year or so
I wonder now, where did you go?
I sit on my bed and wonder
Try to figure out my mood
Man, I really hate this morning
And I think I'm hating you

I think about the things that you said
When I felt bad
Did you keep me hanging around
Until you found it?
But you are not nice anymore
So why don't I just find the door
Oh, I-I-I don't know how to be your friend

I don't know how to be your friend....
