

I Hate My School

Redd Kross

Ra-ra, that rhymes good
They make me sick
Surfers at my school
Are the biggest pricks
I hate my school!
Can't hardly wait to graduate
I hate my school!
Better get out first today
The jocks at my school

They think they're cool
Bookworms at my school
Are the biggest fools
I hate my school
Can't hardly wait to graduate
I hate my school
Better get out first today!
Better get out first today!
