

# Ugly Town

Redd Kross

Hang around on the street  
Get a feel for this ugly place  
Everybody wants to  
Hide their face  
Lonely state of mind

You will go  
Just hang around  
Waiting for a show  
They look familiar  
But no one I know  
Lonely state of mind

If you will go  
I'll surely be there  
It's an ugly place  
It's looks just like  
A space I live in  
We're an ugly race  
Everybody wants to  
Take your place

Oh Oh Oh  
Oh Oh Oh

All the cops  
On the beat have  
Greased their loaded guns  
They will laugh  
If they can make us run  
Lonely state of mind

You and I  
Just sitting back and  
Doing nothing wrong  
You want the singer  
To begin the song  
Lonely state of mind

If you will go  
I'll surely be there  
It's an ugly place  
It's looks just like  
A space I live in  
We're an ugly race  
Everybody wants to  
Take your place

Oh Oh Oh  
Oh Oh Oh

Hey there sister  
I don't owe you anything  
You hang around here  
Hey now mister  
I don't owe you anymore  
Don't come around here

Lonely state of mind

If you will go  
I'll surely be there  
It's an ugly place  
It's looks just like  
A space I live in  
We're an ugly race  
Everybody wants to  
Take your place

Oh Oh Oh  
It's an ugly town  
Oh Oh Oh  
It's an ugly town  
Oh Oh Oh  
It's an ugly town  
Oh Oh Oh  
It's an ugly town
