

## Miss Summer

Redferrin

Blue eyes, blue jeans, tank top, blonde hair tied up in a knot  
Midwest accent, tan skin, how the hell could a country boy not  
Fall in love like I did? Been hooked on her ever since  
I gave her all that I got, now she gone, moving on and it is wh  
at it is

She was just Miss Summer  
Couple months all you get from her  
She'll get you higher than the tips at the top of the pines, ye  
ah  
Get you losing your mind  
With just one kiss from her  
Make you wanna put your Levi knee in the dirt  
Boy, it's gonna hurt when you find out she's a midnight runner  
Kinda girl like that gonna make you miss summer

(Hell yeah)

Tennessee never seen anything like her on the side of this cree  
k  
Tip-toeing out the water, only thing that was hotter than the J  
uly heat  
But now the leaves are falling all around me  
Ain't been the same here in Sumner County  
Since she left out and I want her back  
It's hard to face the facts

She was just Miss Summer  
Couple months all you get from her  
She'll get you higher than the tips at the top of the pines, ye  
ah  
Get you losing your mind  
With just one kiss from her  
Make you wanna put your Levi knee in the dirt  
Boy, it's gonna hurt when you find out she's a midnight runner  
Kinda girl like that gonna make you miss summer  
She gonna make you miss summer

She was just Miss Summer  
Couple months all you get from her  
She'll get you higher than the tips at the top of the pines, ye  
ah  
She'll get you losing your mind  
With just one kiss from her

(Damn, I miss Miss Summer)
