

Wouldn't Hurt

Redferrin

If I ain't gonna see you pullin' up, kickin' dust in my driveway
Or them long tan legs hoppin' out when you come runnin' my way
Get that you-been-missin'-me-all-day kiss on the front porch
Then I ain't gonna be sittin' 'round, missin' you anymore, no

Wouldn't hurt for me to go out on the town
Try to forget what I can't forget about
Wouldn't hurt for me to have a couple rounds
Open up a tab and throw some money down
Wouldn't hurt for me to find somebody new
Steal a kiss and let her steal my T-shirt
Wrapped up 'til the sky turns blue
Maybe then, if I do, losin' you wouldn't hurt
Wouldn't hurt, wouldn't hurt (Nah)

So I might as well raise a little hell and see what happens
Find out if them neon blues are where the greener grass is
I gotta do somethin' new, what I been doin' ain't workin'
'Cause you been gone a little while now and I still been hurtin'

Wouldn't hurt for me to go out on the town
Try to forget what I can't forget about
Wouldn't hurt for me to have a couple rounds
Open up a tab and throw some money down
Wouldn't hurt for me to find somebody new
Steal a kiss and let her steal my T-shirt
Wrapped up 'til the sky turns blue
Maybe then, if I do, losin' you wouldn't hurt
Wouldn't hurt, wouldn't hurt (Maybe then, if I do, losin' you)
Nah, it wouldn't hurt, wouldn't hurt
No, it wouldn't hurt

If you ain't gonna come back like I wish you would
Then this sittin' here, missin' you, ain't doin me no good
So it

Wouldn't hurt for me to go out on the town
Try to forget what I can't forget about
Wouldn't hurt for me to have a couple rounds
Open up a tab and throw some money down
Wouldn't hurt for me to find somebody new (Somebody new)
Steal a kiss and let her steal my T-shirt
Wrapped up 'til the sky turns blue
Maybe then, if I do, losin' you wouldn't hurt
Wouldn't hurt, wouldn't hurt (Maybe then, if I do, losin' you)
Nah, it wouldn't hurt, wouldn't hurt
No, it wouldn't hurt
