

New Thang

Redfoo

Ooh, the way that you pop, girl
Makes me go cray, show me what you got, girl
You could be my new thang
Oh, the way that you move
Makes me go cray, do ya luv that drop, girl?
You could be my new thang

Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxy

Grab a drink if ya thirsty
