

Been calm like Vesuvius, layin' low  
But I'm startin' to feel the lava flow  
Like rain hella hella rain hella hella rain hell  
On these bitches who be  
Love-bombin' like Oppenheimer  
'Cause those motherfuckers are nuclear  
Like rain hella hella rain hella hella rain hell  
Ah ah ah

Dare you  
To drop a house on me  
It's RIP Dorothy

Now I'm the bad witch  
Yeah, I'm the bad witch  
Curse your ancestors  
I'm that savage  
HEX HEX HEX  
Cross me and you will be  
Stiff as a board  
Yeah, stiff as a board  
Rigor mortis when you're falling on your liar's sword  
HEX HEX HEX  
Cross me and you'll be an X

Lion, 'cause you're acting so cowardly  
Bow down to me baby 'cause I'm your queen  
I'll reign, hella hella, reign, hella hella, reign down  
Oh how the mighty fall  
Trip, scrape your knees on the yellow brick  
I've never tasted blood of a hypocrite  
Let it rain, hella hella rain, hella hella, rain hell

I'm the wicked bitch of the west  
Tin Man, got nothing in your chest  
I bought a broom with my cash  
And now I'm sweeping the trash  
Kiss my ass  
'Cause I'm flying solo

I'm the bad witch  
Yeah, I'm the bad witch  
Curse your ancestors  
I'm that savage  
HEX HEX HEX  
Cross me and you will be  
Stiff as a board  
Yeah, stiff as a board  
Rigor mortis when you're falling on your liar's sword  
HEX HEX HEX  
Cross me and you'll be an X

Dare you  
To drop a house on me
