

# I Don't Keep Up

RedHook

I'm the weird apple, I can't help myself  
Not the right shape to sit on the shelf  
Used to write a list about what I lack  
Now I'm the weird apple, the one that bites back

I'm the weird apple, I can't help myself  
Not the right shape to sit on the shelf  
Used to write a list about what I lack  
Now I'm the weird apple, the one that bites back

Oh, what?  
I don't fit the groove  
Oh, what?  
And I don't know how to move  
Oh, what?  
Not welcome in this klub  
Oh, what?  
I Don't Keep Up

Everyone kinda wants the same thing  
But that reality just isn't for me  
Everyone's dancing to the same beat  
But I don't keep up  
I Don't Keep Up

I'm the weird apple, so far from the tree  
Ain't nobody ever known where to put me  
Too pop to be heavy, too heavy to pop  
Cause I'm the weird apple, don't fit in the box

I'm the weird apple, and I can't relate  
Used to think I maybe came along too late  
But now I'm giving up wishing to wind the clocks back  
21st Century Return Of The Mack

Everyone kinda wants the same thing  
But that reality just isn't for me  
Everyone's dancing to the same beat  
But I don't keep up...

Think maybe a mutation  
Made me turn out strange  
I struggle to explain the way that  
I Don't Keep Up  
Everyone's dancing to the same beat  
But I don't keep up...  
I Don't Keep Up

Oh, what?  
I don't know the song  
Oh, what?  
And I'll never sing along  
Oh, what?  
A stranger in this klub  
Oh, what?  
I Don't Keep Up

Everyone kinda wants the same thing  
But that reality just isn't for me  
Everyone's dancing to the same beat  
But I don't keep up...

Think maybe a mutation  
Made me turn out strange  
I struggle to explain the way that  
I Don't Keep Up  
Everyone's dancing to the same beat  
But I don't keep up...  
I Don't Keep Up
