

Champion

Redlight King

Ain't nobody here to help you out
Had so much to say but you ain't talkin' now

I'm a champion, ain't fuckin' with this
I'm a champion, I got the gift
I'm a champion, ain't fuckin' with this
I'm a champion, I got the gift
I got the gift

Think that I don't know who you're talking about
Just cause you walked in don't mean your walking out
Look out

I'm a champion, ain't fuckin' with this
I'm a champion, I got the gift
I'm a champion, ain't fuckin' with this
I'm a champion, I got the gift

I'm the hunter I'm the hound
The keeper of the crown
The greatest going round for round
And I think you'd better run
Cause I'm coming for you, son
I'm a champion

I work, work, work, work
I work, work

I'm a champion, ain't fuckin' with this
I'm a champion, I got the gift
I'm a champion, ain't fuckin' with this
I'm a champion, I got the gift

I'm the hunter I'm the hound
The keeper of the crown
The greatest going round for round
And I think you'd better run
Cause I'm coming for you, son
I'm a champion...

And I work, work, work, work...
