

Devil's Best Friend

Redlight King

She coming in hot
Blood running cold
Smooth on the surface
She gonna take your heart and go
She got that magic
She got, under your skin
No [?]
She won't save you in the end

She the devil, she the devil, she the devil
She the devil's best friend

She [?]
Whole lot of bad news
She gotta [?]
What'd she take from you
She don't know about mercy
No mercy for you
What new kind of evil
She gonna leave you too

She on a whole 'nother level, let me tell you
She the devil's best friend
Oh she the devil, she the devil, she the devil
She the devil's best friend

[?] tellin' no name
All is love when you're playing this game
Dead or alive, one way you can win
To fall in love with the devil's best friend

You gotta pray for yourself

She on a whole 'nother level, let me tell you
She the devil's best friend (Damn, she the devil)
She the devil, she the devil, she the devil
She the devil's best friend

She on a whole 'nother level, let me tell you
She the devil's best friend (She's the devil and I'm sure)

[?] tellin' no name
All is love when you're playing this game
Dead or alive, one way you can win
To fall in love with the devil's best friend

Let me tell you she on a whole 'nother level
She the devil's best friend (Damn, she the devil)
Let me tell you she on a whole 'nother level
She the devil's best friend (And it all feels bad)
Let me tell you she on a whole 'nother level
She the devil's best friend
Let me tell you she on a whole 'nother level
She the devil's best friend
