Working Man

Redlight King

I get up at seven, yeah
And I go to work at nine
Got no time for livin', yeah
I'm workin' all the time

It seems to me I could live my life
A lot better than I think I am
That's why they call me
They call me the workin' man

Oh, they call me the workin' man
I guess that's what I am

I get home at five o'clock
And I take myself out an ice-cold beer
Always seem to be wonderin'
Why there's nothin' goin' down here

Seems to me I could live my life
A lot better than I think I am
That's why they call me
The workin' man

They call me the workin' man
I guess that's what I am

They call me the workin' man
Guess that's what I am

I get up at seven, yeah
And I go to work at nine
Got no time for livin', yeah
I'm workin' all the time

It seems to me I could live my life
A lot better than I think I am
That's why they call me
They call me the workin' man

They call me the workin' man
I guess that's what I am
Oh yeah
