

# Here With Me

Redlight

As long as you're here with me

You got your head up  
But your thoughts are too heavy to hold  
So don't think about it  
Cause I know you're so much more, hey yeah

I'll come for you when you're feeling lost  
Hold on to me when the light is low  
I won't let go, don't you worry 'bout a thing

As long as you're here with me  
Can't stay away, stay away  
So hung up on you  
As long as you're here with me  
No, I can't stay away, stay away  
So hung up on you  
As long as you're here with me

As long as you're here with me  
As long as you're here with me

Let me tell you  
There's nothing I wouldn't do for you  
So don't you worry  
Cause I know we'll pull us through

I'll come for you when you're feeling lost  
Hold on to me when the light is low  
I won't let go, don't you worry 'bout a thing

As long as you're here with me  
Can't stay away, stay away  
So hung up on you  
No, I can't stay away, stay away  
So hung up on you  
As long as you are here with me

As long as you're here with me  
As long as you're here with me  
As long as you're here with me

As long as you're here with me  
As long as you're here with me
