

Me & You

Redlight

I can't explain it
There's something changing
We're suffocating
It's leading us away

Take it on a Monday, want me on a Sunday
Lead me on and let me go
Take it on a Monday, want me on a Sunday
Lead me on and let me go

Me and you
We're doing it the wrong way
Me and you
We're doing it the wrong way
We're doing it the wrong way

There's no debating
The light is fading
We can't escape it
It's keeping us away

Take it on a Monday, want me on a Sunday
Lead me on and let me go
Take it on a Monday, want me on a Sunday
Lead me on and let me go

Me and you
We're doing it the wrong way
Me and you
We're doing it the wrong way
We're doing it the wrong way
