Redman

You worked that fire burn in hell  
Sell about a half a pound and put them diamonds in my, diamonds  
in my

Shut it down (shut it down)  
Shut it down (shut it down)  
Shut it down (shut it down)  
Shut it down (shut it down)

Shut it down  
Shut it down

We got that sour diesel girl scout blue dream  
I got the connect from Cali but I ain't saying names  
When it comes to rapping boy, we ain't playing games  
I see you lost all your heat like you ain't plain James  
Bitch I'm lit, can you do it like I do?  
I can walk into barbecue, turn it to a bonaroo  
Study high and get high scores to bost my IQ  
I can smoke what y'all smoke every day times two

You worked that fire burn in hell  
You worked that fire burn in hell  
You worked that fire burn in hell

Damn  
That's some heavy shit, man

Worked that fire burn in hell  
Shut it down  
Worked that fire burn in hell
