Redman

Damn!

(Forgot to do somethin', let me see...uh)
Oh, yeah—it ain't over, motherfuckers

[Parliament (sample from "Theme from the Black Hole")]

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that

All around the world for the funk

I'll toast to that
