

## Pancake & Syrup

Redman

I'm on that pancake and that syrup too  
I'm ridin slow with them haters in my rear view  
My check here too  
My pockets real fat  
Two hundred fifty grand, yeah I'm a quarterback  
I got them bud and the blunts  
Let's pie one  
I got them pancakes purple and hawaiian punch  
Come on and have lunch  
And letch your hair down  
Let's move like the six million dollar manow

I said I'm rollin through the hood  
Lookin real fly  
Everything slow when my car ride by  
I'm on that pancake and syrup  
I'm on that pancake and syrup

I said I'm rollin through the hood  
Lookin real fly  
Slow motion girl when my car ride by  
I'm on that pancake and syrup  
I'm on that pancake and syrup

I love gettin high you can call me an addict  
Cause that pancake and syrup I just gotta have it  
And I know a lot of people don't know what I mean  
That's when you pop a pill then wash it down with some lean  
You got it nigga  
Now it's chow time  
Next destination headed to cloud nine  
And I never let a hater try to blow my high  
So believe what I'm sayin maaa

I said I'm rollin through the hood  
Lookin real fly  
Everything slow when my car ride by  
I'm on that pancake and syrup
