Redman

(Laughing in background)

[Dr. Trevis]

How you doing, Redman, I'm Dr. Trevis

Okay, my papers show that you strangled a white male by the name of a Mr. Van-Allen

At a rap concert, matter o' fact, Redman

My papers show that you committed the same criminal acts in 12 other states

Okay, what we're gonna do here today, Redman

If you wanna bring some of that unnecessary anger out your system

But I can't do it alone so what I need you to do is cooperate, okay?

Nod your head up and down for yes, and side to side for no

Right, okay, erm.. Redman, I hear that you're a rapper

If you had your chance to create your own album

In your own words, tell me

In your own words, how would you build it

How would you make it work?

Focus your mind, focus your mind...
