

Yeah, uh  
Yeah  
Yeah, uh, yeah, look  
I said

Fuck is niggas saying to the kid that I ain't heard?  
Pivot to the digits 'cause we tryna get it off the curb  
What's the word? Every crevice that they building get disturbed  
Aim this molly at the top, niggas ain't gon' bleed if they don't burn  
Speedin' through Ephesians, I been tryna heal up all this hurt  
Shit, since '04, been in in my Birkin  
She like "Why you stay takin' flights? ", like, shit, I'm working  
I ain't mean to call you back, I'll do it when you earned it, earned it

Motherfuck the law, when we see 'em, then we swervin'  
Niggas hard body, don't be nobody in person  
Don't a soul get me off the shit that I'm observing  
Don't a sole fit me, I got blisters on my nerve ends  
And I can't keep you with me, know you fifty in the whirlwind  
I keep that switchy 'til the world end  
We can make that situation sticky if it need be  
I'm seeing through the glass, gon' be hard for you to deceive me, nigga  
Look, uh (Yeah)  
Gon' be hard for you to deceive me, nigga (Yeah)

Said, where you at? Where you at?  
Said, where you at? Where you at?  
Said, where you at? Where you at?  
Said, where you at? Where you at?

I'm up in mi casa  
Painting Picasso all of my trauma  
Bringing me face and all of these commas  
Bringing my patience, keeping me solid  
These niggas flaw as fuck  
Man time, keeping this guala tucked  
Niggas on standby 'cause they sharp to the landslide 'tween me and all they  
pups  
On me, I'ma call they bluff  
On E, niggas all day stuck  
I patch up all these cuts  
I been try to get up  
Latchkey kid, I had my gut  
Now flashy shit, gon' grab my ruts  
And trash them shits  
Nigga, your ass a pacifist  
So how the fuck you talk 'bout thrashing shit?  
Speech mean zip, I need that action  
Fat shit stay inside my faction  
I just be coolin' on that fashion shit  
Since day one, been passin' shit  
Y'all can just stay passive  
Nigga, I'm grabbing everything meant for me  
Can't get no fractions, you wasn't active in my memory  
Need no accessories  
Need that celery  
Know I can fend for me

Need that celery  
Nigga, I can fend for me  
'Veil heard for centuries  
Niggas match my energy  
Or keep they ass from me  
Yeah, yeah

Fuck is niggas saying to the kid that I ain't heard?  
Pivot to the digits 'cause we tryna get it off the curb  
What's the word? Every crevice that they building get disturbed

She like "Why you stay takin' flights? ", like, shit, I'm working  
I ain't mean to call you back, I'll do it when you earned it, earned it

Bitch, yeah  
Do it when you earned it, yeah  
Said, I'll do it when you earned it, yeah  
Yeah, do it when you-  
Yeah, uh, uh
