

100K FREESTYLE

Redveil

(It's mine, it's mine, it's mine, whose world is this?) Yeah, b
itch

Uh (It's mine, it's mine, it's mine, whose world is this?)

World mine been knowing that since a fetus
Niggas been changing how they greet us estranged but went strai
ght to eating dick

And tryna pay to see us, the shit just be so comedic

Ain't nobody gon' free us but us (Ah-ah-ah)

That's how I see it, can't no man control me, I won't let up
Hopped out a meeting but I'm tryn' be with my bros in the cut,
that's all I'm needing

And to listen to my elders I know they sharp as a needle

Stank face on everything that I drop

Shit smell medieval

So hard the shit stupid like niggas that say "Red evil"

Bitch, it's V-E-I-L

Bound to fill cathedrals and the CDs I sell devoid of lies and
evil

Bitch, it's V-E-I-L (Ah-ah-ah)

Brodie ain't competing 'til I'm D-E-A-

D or I'm stuck in a dry spell

It's V-E-I-L

(Say what?, Bitch) say it's V-E-I-L

(Say what? Bitch) say it's- nah, listen man

Whose world is this? (It's yours)

(It's mine, it's mine, it's mine, whose world is this?)

(It's mine, it's mine, it's mine, whose world is this?)
