Redveil

Yeah, yeah-yeah-yeah
Yeah, yeah-yeah
Yeah, yeah-yeah
Yeah, yeah-yeah
Uhh, yeah, uh

Just got a call from my momma while soundcheckin'
I'll hit her back in a sec', them tickets dried up
These white kids lined up for a black message
Black kids feel me, ain't no such a thing as a bad blessing
A bad penman ain't never gon' last standin' on that stage, I always had direction
And top 2 a nigga not the second
Veil and them boys is not to reckon with
Keep that spotty correction back where it came from
I'm in east bumble fuck with my niggas and spotty connection
We just left the D, we Td 'em up now we onto the next one
Niggas say watch for them snakes and then be the main ones
We can see true intentions just wait he gon say sum'
And blow his cover more than they blew JFK head off his shoulders
Veily veil solid as boulders
I'm on they top, boy it's over
Word to kendrick I like when she ride at the top of the morning
Top of the mo-
Yo, uhh, look
Playing with fire in stores, I'm 4 for 4
Ain't no shortage of them sold out shows went 4 for 4
'Cause them angels pouring into me like its 4:44
But I'm still cheap as hell, I might fuck up a 4 for 4

What you talkin' 'bout?
