

# I Don't Know

Reed Deming

Wish this was a bad dream  
But I know that it's real life  
I just said a bad thing  
You just saw my bad side  
And now I see two eyes  
And I'm watching you cry  
This sucks  
Now I wanna cut out my tongue

And I know that you're scared  
And I know that I'm weak  
And all of my issues  
I take out on you, baby  
And I know it's not fair  
And I'm trying to fix it  
But you know that I love you  
And I need your forgiveness

Cause I don't know what I'd do without you  
You say I'd be just fine, but I doubt you  
And I don't really cry, but I'm 'bout to  
Cause I don't know what I'd do without you  
I don't know what I'd do without you  
I don't know what I'd do without you  
I don't know what I'd do without you

This isn't no blind devotion  
You know how badly I want you  
I know how badly I messed up  
I wish that I got a Take 2  
Right now there's two of us in here  
But somehow the room is so empty  
I'm open and I'm sincere  
I hoping that you could forgive me

And I know that you're scared  
And I know that I'm weak  
And all of my issues  
I take out on you, baby  
And I know it's not fair  
And I'm trying to fix it  
But you know that I love you  
And I need your forgiveness

Cause I don't know what I'd do without you  
You say I'd be just fine, but I doubt you  
And I don't really cry, but I'm 'bout to  
Cause I don't know what I'd do without you  
I don't know what I'd do without you  
I don't know what I'd do without you  
I don't know what I'd do without you

I'll do whatever it takes  
To make this okay  
I'll read to you while you paint  
Or I can just give you space  
I know that words alone

Won't erase all the pain  
But you're the love of my life  
And I hope that you'll stay, cause  
I don't wanna let you go  
I don't wanna let you go  
I don't wanna let you go  
I don't wanna let you go
