

slow down

Reed Deming

I need to slow down
And steady myself
Teach me to slow down
You do it so well
If I'll hold this fire to my chest
I'll burn myself
So teach me to slow down
So I'll love you [?]

I'll slow down, slow down
I'll wait for you, I'll wait for you
I'll slow down, slow down
'Cause if it's true, I'll wait for you
I'll slow down, slow down
I'll wait for you, I'll wait for you
I'll slow down, slow down
And if it's true, I'll wait for you

I need to slow down
And give this to God
To lay down my own will
And all that I want
How can I ever know peace
If I try to hold down?
So teach me to slow down
So I won't fall

I'll slow down, slow down
I'll wait for you, I'll wait for you
I'll slow down, slow down
'Cause if it's true, I'll wait for you
I'll slow down, slow down
I'll wait for you, I'll wait for you
I'll slow down, slow down
And if it's true, I'll wait for you

And as I slow down
Go back to the start
I quiet the embers
Ablaze in my heart
No matter what happens to me
Or where I end up
I know I can slow down
'Cause this is enough
This is enough
