

## Back Into Line

Reef

Shame has fallen on you brother  
Painful have you become  
Stop your musical celebration  
Fall back into line

What is it you want?  
I ask you kindly  
Is it that you ask for nothing?  
Oh tell me if you please, say are you hungry?  
Is it that you got everything you need?  
Everything

What is it you want?  
I ask you kindly  
Is it that you want for nothing?  
Oh tell me if you please, say are you hungry?  
Is it that you got everything that you need?
