

# I Would Have Left You

Reef

Won't you give, pictures of you?  
We'll go out, lounge by the pool. Yeah  
After the sun, has baked us through,  
We'll retreat, to the bedroom.

I would-a left you babe,  
I would've left you babe,  
I would-a left you babe,  
If I only could.

I would-a left you baby,  
I would-a left you baby,  
I would-a left you babe,  
If I only could. Alright

Oh yeah

When we are, where we should be,  
There'll be no, questions in me.  
After all was said before,  
You came up and grabbed some more.  
I would-a left you.

I would-a left you babe,  
I would-a left you babe,  
I would-a left you babe,  
If I only could.

I would-a left you baby,  
I would-a left you baby,  
I would-a left you babe,  
If I only could. Ah yeah oh

People, people. Say

I would-a left you babe,  
If I only could.

I said, I said.

I would-a left you babe,  
I would-a left you babe,  
I would-a left you babe,  
If I only could. Yeah

I would-a left you baby, Yeah  
I would-a left you baby, Yeah  
I would-a left you babe,  
If I only could. Yeah

I would-a left you sweet girl,  
I would-a left you honey-pie,  
I would-a left you sugar,  
If I only could.

I would-a left you darlin',  
I would-a left you brownie-girl,

I would-a left you babe,  
If I only could. Ah yeah oh

People, people, people, people.
