

## Loose

Reef

Come on deep in me,  
And see what I feel.  
If I feel uptight,  
Loosen me tonight, yeah.

Water finds its home,  
And I need to know:  
If we make it stick,  
Can we handle it?

Ain't nobody gonna lose their head,  
Ain't nobody gonna talk to me baby yeah yeah,  
Oh no no no.  
Ain't nobody gonna lose their head,  
Ain't nobody gonna talk to me baby yeah yeah,  
Oh no no no.

Come on deep in me,  
And see what I feel.  
If I feel uptight,  
Loosen me [?]

Water finds its home,  
And I need to know:  
If we make it stick,  
Can we handle it?

Ain't nobody gonna lose their head,  
Ain't nobody gonna talk to me baby yeah yeah,  
Oh no no no.  
Ain't nobody gonna lose their head,  
Ain't nobody gonna talk to me baby yeah yeah yeah yeah.

Come on now, come on man.  
Come on now, come on man.  
Come on now, come on man.  
Come on now, come on man.

Ain't nobody gonna lose their head,  
Ain't nobody gonna talk to me baby yeah yeah,  
Oh no no no.  
Ain't nobody gonna lose their head,  
Ain't nobody gonna talk to me baby yeah yeah yeah yeah yeah  
Yeah yeah yeah yeah yeah yeah.

Come on now, come on man.  
Come on now, come on man.
