

## New Thinking

Reef

You're so cool aren't you?  
And so good looking.  
It takes two,  
For your new thinking.

I'll be right along,  
I'll be right along,  
I'll be right along,  
I'll be right along,  
I'll be right along,  
I'll be right along.

You're so cool aren't you?  
And so good looking.  
It takes two of us,  
For your new thinking.
