

# Nothing Town

Reef

I went down, to Nothing Town,  
and I saw something new.  
As I went into Nothing Town,  
I thought that I saw you.

Daily I've [?]  
The sunrise I can [?]  
To close my eyes and see your face,  
But nothing's [?]

Can this not end now it's begun?  
I have been searching for too long.  
And if not back before the dawn,  
then you will know that I was wrong.  
Was wrong, was wrong, was wrong.

Keep sending your love to me,  
As I send love to you.  
Keep on [?] forgiveness.  
[?]

Can this not end now it's begun?  
I have been searching for too long.  
And if not back before the dawn,  
then you will know that I was wrong.  
Was wrong, was wrong, was wrong.

I have seen an angel in this town.  
She smiled and [?]  
On the window do you have [?]  
Our love, lives on.

Can this not end now it's begun?  
I have been searching for too long.  
And if not back before the dawn,  
then you will know that I was wrong.  
Was wrong, was wrong, was wrong.
