

Refugee

Reef

There can be no hope for me
I am lost and swimming in a raging sea
Come on baby, give your love to me

I've been down one thousand times
Pull me out and show me that your love is mine
Come on baby, make love with me

I am a refugee
A reckless heart been set free
I am a refugee
A loveless heart been set free

Sunk in shame, boiled in blame
Cast adrift and homeless in the pouring rain
The wind and rain, such a cruel exchange

I am a refugee
A reckless heart been set free
I am a refugee
A loveless heart been set free

I am a refugee
A reckless heart been set free
I am a refugee
A loveless heart been set free
I am a refugee
A reckless heart been set free
I am a refugee
A loveless heart been set free
