

Right On

Reef

I'll be right on for you
I'll be right on for you

You can do it
Train your eye
You can do it
No comply
You can do it
You can do it

You can do it
Train your eye
You can do it
Rock n roll
You can do it
You can do it

I'll be right on for you
I'll be right on for you
I'll be right on for you
I'll be right on for you

You can do it
Train your mind
You can do it
Slasher grind
You can do it
You can do it

You can do it
Grind the eye
You can do it
Open skies
You can do it
You can do it

You can do it
Seize the day
You can do it
Channel pain
You can do it
You can do it

You can do it
Rock n roll
You can do it
Like you know
You can do it
You can do it

I'll be right on for you
I'll be right on for you
I'll be right on for you
I'll be right on for you

(Right on)
(Right on)

I'll be right on for you (Right on)
I'll be right on for you, yes I will (Right on)

I'll be right on for you
I'll be right on for you
I'll be right on for you
I'll be right on for you, oh yeah, alright
I'll be right on for you (Right on)
I'll be right on for you (Right on)
I'll be right on for you (Right on)
I'll be right on for you (Right on)
Yeah, alright
