

Wolfman

Reef

So I'm a wolfman
What do you say?
I'm gonna make it to the top one day
Because I'm lupine
I'm so hirsute
You don't believe me? Gonna give you the proof
I'm gonna tear it up
I wanna know
Who will lead and who will follow?
Because I'm ruthless
I never stop
I'm taking over if you're ready or not

Look into my eyes
I won't be denied
I'm running with the pack
I'm howling
Come away with me
Everyone will eat
I wanna hear you howl

So I'm a wolfman
I'm old and new
The one truth is what a man can and can't do
I am the lupine
I am that truth
A living judgement with a taste for dispute
I'm gonna rip it up
I need to know
I wanna see just how far I can go
Because I'm raging
What can you do?
You better run because I'm coming for you

Look into my eyes
I won't be denied
I'm running with the pack
I'm howling
Come away with me
Everyone will eat
I wanna hear you howl

So I'm a wolfman
What do you say?
I'm gonna make it to the top one day
Because I'm ruthless
I never stop
I'm taking over if you're ready or not

Look into my eyes
I won't be denied
I'm running with the pack
I'm howling
Come away with me
Everyone will eat
I wanna hear you howl

So I'm a wolfman!
