

Give me a chance
I promise I will listen
Let me hold your hand
We'll take our time
Oh my old friend
Was it a dark day
Tell me all about it, won't you
And I will stay
Right here

Beside you love
I know
I can't change the world to make it better
No
I can't heal the wounds
But I can proudly
Show you how I bruise
It's never easy
But it gets easier

Pass part of the weight
Onto my shoulders
It must have been a while since you've
Been carrying the weight of the world
Oh my old friend
Was it a dark day
Just promise me you'll hold on, won't you?
And I will stay
Right here

Beside you love
I know
I can't change the world to make it better
No
I can't heal the wounds
But I can proudly
Show you how I bruise
It's never easy
But it gets easier

Oooh, oooh oooh

My ears are yours
Take all that you can borrow
It must have been a while since you've
Been carrying the weight of the world
Oh my old friend
Was it a dark day
Tell me all about it, won't you
And I will stay
