

Slow Mornings

Reese Lansangan

I don't know how this started
I came to this half-hearted
You came with no intention
Just passing me by, oh

But I've changed my rules
I'm bending
I've lost all common sense and
I don't know what this is
But you've got me asking why

You got me thinking 'bout you right away
But I don't wanna say it
You got the conversation down
Oh you just know how to play it

But I refuse to be confused
By whatever you're saying
For all I know you could be playing me
But now I'm thinking

My oh my, you're in my head
Making your way right to me
No warning
I'll go back to bed
Thinking of me and you
This slow morning, yeah
Thinking of you
Like how I do slow mornings

Forgive me, I'm just used to
Being alone but now you
Wanna be with me all the time
And I won't say I don't like it
You got me interested in
The inner workings of in your mind

You got me thinking 'bout you right away
But I don't wanna say it
You got the conversation down
Oh you just know how to play it
But I refuse to be confused
By whatever's going down
For all I know you could be playing me
But now I'm thinking

My oh my, you're in my head
Making your way right to me
No warning
I'll go back to bed
Thinking of me and you
This slow morning, yeah
Thinking of you
Like how I do slow mornings
Thinking of me and you

You've been running in my head

Won't you come see me instead
Sun rising in cherry red
Won't you stay with this slow morning?

You've been running in my head
Won't you come see me instead
Sun rising in cherry red
Won't you stay with this slow morning?

You've been running in my head
Won't you come see me instead
Sun rising in cherry red
Won't you stay with this slow morning?
