

Slave to insomnia  
Dreamless and sleepless  
Counting the stars  
Just to watch them fall  
Prisoner of phobia  
Afraid of my shadow  
I never know  
Who I'll be tomorrow

I still remember the way  
You used to say my name (say my name)  
As if I was your own  
As if this ever meant anything at all

I'd give anything to go back to that moment  
Even if only for a moment  
I'd give anything to go back to that moment  
Even if only for a moment

How can I forget  
The only things that I want to remember (want to remember)  
This is an endless endeavor  
This is pretending we never said forever  
You looked into my eyes  
And promised we would die together

I'd give anything to go back to that moment  
Even if only for a moment  
I'd give anything to go back to that moment  
Even if only for a moment

It was always my greatest fear  
Everyone I love would disappear  
Just like the color clear  
Just like the color clear
